

77" RIGHT, LEFT & CENTER SINK VERSIONS

*Integrated Fiberglass Lab  
Counter and Sink*

**STM INDUSTRIES, LLC**

# 77" RIGHT, LEFT & CENTER SINK VERSIONS

Left Sink version shown above

**Our twenty-five years of fiberglass expertise** allows us to create some of the most durable, fire retardant **laboratory-grade counters and integral sinks.**

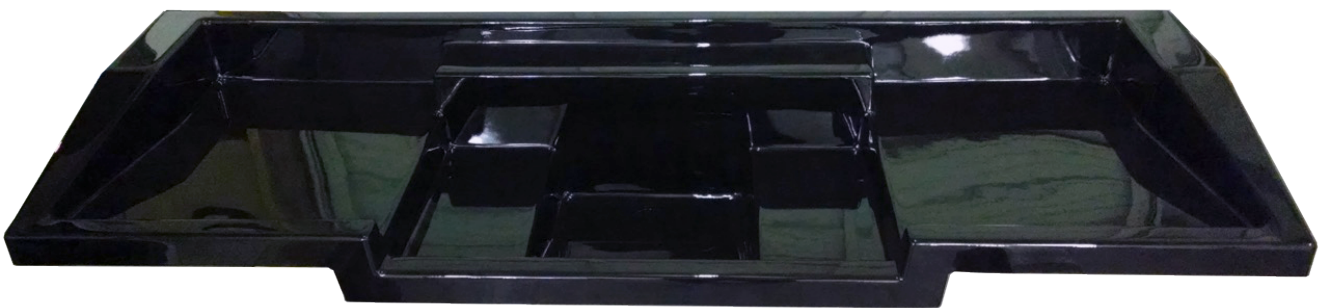

**A wide range of colors** are available to coordinate with your color scheme or to blend in with your other laboratory fixtures.

**Choose from right, left & center sink** versions that are ready to install on your cabinets.

**Clean-up is easy** due to our long sloped counters, integral sink, raised edges and cove corners that keep spills inside.

- 77 3/4" overall length
- 24 5/8" front to back
- Wide color range
- Class 1 fire rating
- Right, left & center options

Center Sink version shown below
