Largest fiberglass umbrella, maximum protection

Large Starburst Umbrella

This round, eight-foot diameter solid fiberglass umbrella is the largest made, bar none. The ultimate in solar and rain protection in striking colors and impeccable finish.

A wide range of long-lasting colors will enhance your decor and color scheme. Our commercial grade two-part (catalyzed) polyurethane paint is **guaranteed not to crack, fade or peel for five years...** and there are over one hundred color choices.

The tough exterior and enlarged steel reinforced interior supports mean that this umbrella can stay out in some of the roughest weather....no one needs to run outside to take them down when storms approach.
